

### AgencyCentral Login Update

The updated AgencyCentral requires fund representatives to create a **new** username and password to access the site registered with our supplier software company, Blackbaud. To create your new username, please follow the steps below.

**Important Note:** Your new username will be your email address. You should have received a *Welcome to AgencyCentral* email detailing the login instructions. The email that received the login instructions is the email that **must** be used when creating your account. Please contact Emily Angyal at [eamgyal@cfsem.org](mailto:eamgyal@cfsem.org) or 313.961.6675 if you are unsure of what email address CFSEM has on file for you.

1. Please go to our website, <https://cfsem-agencies.donorcentral.com>. The link will direct you to the AgencyCentral login page where you will create your account.
