

### Ralph C. Wilson, Jr. Legacy Funds at the Community Foundation for Southeast Michigan

#### 2020 Grantmaking Guidelines

##### Overview of Each Fund

###### *Caregivers Fund:*

The current goal of this Fund is to improve support for caregivers – whether paid or voluntary – through efforts that provide needed skills, resources, education and respite. Caregivers are those who look after dependent individuals who require caregiving. Projects supported through this fund should have a direct impact on caregivers. In addition, the Fund will consider grants to programs that provide emotional care and supportive services to cancer patients as well as their caregivers.

###### *Design & Access Fund:*

Support from this Fund will be considered for pre-planning, development and /or construction costs of projects related to increasing the walkability and bikeability of local communities and/or increasing outdoor recreational activities within the region. This purpose aims to increase the health and quality of life of local residents of all ages. Waterways and greenways as well as recreation corridors are of interest. Neighborhood-specific projects will also be considered if they include significant community engagement and impact at the neighborhood level. It is a preference, but not requirement that the projects:

- o Incorporate green design, to be environmentally sustainable, and
- o Incorporate universal access design, to best serve people of all abilities

Large sports facilities are not of interest to this fund.

###### *Youth Sports Fund:*

Support from this Fund will provide opportunities for all children to be active through sport. Requests must address one of the following objectives:

1. Ask kids what they want
2. Reintroduce free play
3. Encourage sports sampling
4. Revitalize in-town leagues
5. Think small
6. Design for development
7. Train all coaches
8. Emphasize prevention

These objectives all link to the goals identified in the “State of Play Southeast Michigan” report, which can be found at this [link](#).

###### *Grosse Pointe Community Assets Fund:*

This remains a broad yet competitive fund which supports projects of anchor nonprofit organizations that provide services and experiences to residents of the 5 Grosse Pointe communities, home to Mr. Wilson during his lifetime.

Yes. The purposes of the two funding pools are slightly different. The Ralph C. Wilson, Jr. Legacy Funds at the Community Foundation for Southeast Michigan were established as an endowment to honor Ralph C. Wilson, Jr.'s legacy in perpetuity. The grants made from these funds are distinct from the grants made by the Ralph C. Wilson, Jr. Foundation directly.

In most cases, the Legacy Funds support localized projects for which a small grant can make all the difference.

The Ralph C. Wilson, Jr. Foundation aims to support larger initiatives with broad impact and reach with its grantmaking. More information about their grantmaking can be found at: <http://www.ralphwilsonjrfoundation.org/>.
